## CONVENTION 2022

**Save the dates: July 14, 15 and 16, 2022**

**To be held near Marshfield, WI**

Hosts are hoping to plan a *BueLingo Cattle Show*, but need commitments to showing cattle such as type (heifers, steers, cow/calf, yearling bulls) and numbers before finalizing plans.

Depending on interest, the hosts will consider a Junior Show or an open PEN show, or both!

**Contact: David Gallion 715-613-4801**

**Danny Meyer Cell: 608-397-2354**

David and his wife Karen along with Danny Meyer and other local BueLingo members will host the 2022 Convention. They would like to make the convention more family oriented and gear it towards a family vacation spot with BueLingo convention tied into the weekend. They hope to have the starting day on Thursday July 14, 2022 (this would be the final day of the Wisconsin Farm Technology Days near Loyal, WI.) Members would be able to attend the WFTD and see some of the haying field demonstrations and other vendors throughout the show. Friday would be tours in the area with possible cheese plant, large dairy, and BueLingo Cattle. They would like to know if there would be interest in having a Junior BueLingo show or a Pen Class show. Arrangements would be needed with Premier Livestock to set up *if* enough interest in having a show or Pen Class materialized. Dates would be 14, 15, and 16 of July 2022. Marshfield would be close by for family options of a zoo, and water park... If not enough interest for the show, they still wish to host a 3 day event, but would like to know commitment to showing animals ASAP. An outline of the event will be listed in the BueLingo World with the hopes of having families welcomed and commitments to show cattle.

## HALL OF HONOR FOR CATTLE

In 2004, Freighttrain was inducted into the Hall of Honor for Animals, and so far, has been the only animal receiving this award.

The board has set certain criteria to be considered when nominating or selecting an animal for this Honor. Criteria, such as, Quality of Belt, Good Disposition, Polled, Body deep and square, Good feet & legs, should meet the standards of Perfection, and be a registered BueLingo. Bulls should have quality progeny and proven to help the breed and be at least 5 years of Age.

Nominations should be submitted by *December 31, 2021*, and include the animal's name, registration number and specify traits that would qualify it for the Hall of Honor.

The board will review animals submitted during the winter board of directors meeting.
